Alloys Corp.

Bobbie -

Thank you for the opportunity to review the Draft/Proposed
permit renewal
for Huntington Alloys Corp. [R30-01100007]. I do not have any comments
on
this permit.

Please note - that even though I have sent an e-mail prior to
the close of
the comment period that DOES NOT mean the permit can be issued early.
EPA
can not waive their review period.

If you have any questions please let me know.

Thank

~ Amy
